

# Metallica

*Metallica is an anti-corrosive exterior metal coating from Bizzar. It gives protection from adverse weather conditions along with a sparkling effect.*

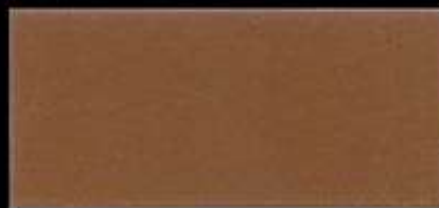

## Application Method

1. Clean the metal surface with fine sand paper. Ensure that all the loose particles are removed and the surface is not oily.
2. Apply two coats of Bizzar Metallica Primer by using a spray or brush Ensure That the entire Surface is covered with Bizzar Metallica Primer.
3. Apply two coats of Bizzar Metallica or Bizzar Metallica Max Super using a brush or a spray gun.
