## **COMPANY PROFILE**

We would like to introduce ourselves as India's leading Manufacturing, Importers, Distributors of building material, interior designing, sports surfaces and designer paints etc of organizations of repute engaged in the profession of designing & furnishing throughout India. We were incorporated in the year 1990 & thereafter, we have been undertaking numerous projects on turnkey basis for both commercial and residential sectors. And now we are having our main projection to provide the latest, unique and the best thing to the Indian market, for that we have associated with various reputed companies in India and abroad. The brief details about the companies are given below:

The promoters of wall coatings are into the promotion of specialized building materials for the last two decades. Now the company has diversified itself into manufacturing of designer wall coatings, the technology is adopted from various European companies, which are pioneer in specialized coatings. The basic and important materials are imported from Europe.

Bizzar designer coatings are to fulfill the dream of every interior and exterior. Bizzar designer wall coatings are eco-friendly as they are water based. We pursue the goal of nature and human health. **Universal Paints** offers a wide range of decorative and designer coatings.

After in-depth research and development and with the help of associated companies we have established the state of ART and most modernize manufacturing plant in Haryana, INDIA. From where we have been able, to achieve specialized and its own kind designer and high build coatings, suitable for harsh Indian sub-continent weather conditions. The product is designed to withstand the extreme changes of Indian weather.

In addition to this , we are extremely delighted to introduce "**HEBEI NORGO INTERNATIONAL TRADING CO. LTD**" situated in **Shijiazhuang China** as our new sourcing office for exploring new and better products at reasonable prices for fulfilling of big projects requirements .

## **BIZZAR TEXTURED & DECORATIVE PAINTS ( Interior & Exterior Solutions)**
